Greetings! Well, summer is here. The sweltering heat set in quickly and seems to have arrived early. Please remember to keep cool, stay hydrated, and apply that sunblock when attending any outdoor events.

We learned that long-time VFR member Ted Walter Sr. passed away on June 15th after a prolonged illness. His obituary can be found at the following link:

[Obituary | Theodore E. Walter Sr. of Clayton, Delaware | Matthews-Bryson Funeral Home](#)

The 2025 CLC GN took place June 2-7. VFR Vice President and *Goddess* Editor Rob Schles was there, managing the show field. Photo highlights are in this month's issue. Congratulations to VFR members Ed & Nikki Thompson on earning a prestigious Senior Wreath award for their 1996 S&S Presidential 6-door limousine, formerly owned by Mike & Vicky Barruzza!

Several VFR members attended **Gateway Classic Cars Cruise-In** with Phila Region LCOC on Saturday June 28. Many thanks to those who attended, and to Gateway Classic Cars for organizing & hosting. VFR will receive a donation of \$100.00 from Gateway!

The driving tour of Chester and Delaware County covered bridges, organized by Rob Schles, is scheduled for Saturday July 19th. After visiting four covered bridges in the Brandywine Valley, we will gather for lunch at Two Stones Pub. I invited members of the VFR-AACA to join us. Details are on pages 16-18 in this issue.

I am a *little* concerned. We have been promoting two key VFR events for several months. As I write, we have received only *four* registrations for the **Inter-Region Meet and show at AACA Museum August 16-17**, and the **VFR-CLC & Philadelphia Region LCOC combined show at Peddler's Village on September 7th**. Please plan to attend one or both events that your VFR Board of Directors is working hard to plan and schedule. Details and registration forms are on pages 27 and 28 of this issue. We look forward to seeing you.

Registration for VFR's 50th Anniversary Banquet is

on p. 29 of this issue. Please plan to attend this milestone event. 21+% of the cost of the banquet is being subsidized by the VFR. We look forward to celebrating with you.

A complete listing of local and regional events is on P.6 of this issue; please plan to attend events hosted / organized by the VFR, RRR, or Potomac Regions, or CLC National listed below.

- ♦ **Sunday, Aug 3: Das Awkscht Fescht (Club Day), Macungie PA**
- ♦ **August 16-17: CLC Northeast Inter-Regional Meet and Show at AACA Museum, Hershey PA.** Group tour of museum and dinner Sat Aug 16, show on Sun Aug 17. Registration on P. 25.
- ♦ **Sunday Sept. 7th: Peddler's Village Car Show Lahaska PA; rain date Sept. 28. Registration P. 26.**
- ♦ Saturday Sept. 13: Ankokas AACA Annual Show, at Gateway Classic Cars, Runnemede, NJ.
- ♦ **Sunday, Sept. 14: VFR 50th Anniversary Banquet – Pennsauken Country Club**
- ♦ Sept. 26-27: CLC Fall Festival at CLCMRC Museum in Hickory Corners MI
- ♦ Oct. 7-10: AACA Fall Hershey
- ♦ Oct. 15-18: CLC National Driving Tour, Central/upstate NY. Details on pp. 23-25 of the July *Goddess*.

If anyone attended **Joe Puleo's Open House** with **RRR** and AMCoMC on June 21 and took pictures, please share them with Robert Schles so he can highlight the event in a future issue of *The Goddess*.

Best Wishes to you and your families. I look forward to seeing you soon. Be *well!*

Warm Regards,

Michael Stinson, Director,

My American Classic Dream: The 1984 Cadillac Eldorado Biarritz Convertible By Ori Masdeu

My name is Ori, and I have been passionate about American cars for over 40 years. That passion began in 1983, when my dad purchased a 1973 Buick Riviera GS for me so I could attend first year of college at William Paterson University. It was the final year for the legendary boat-tail design, and that car made a lasting impression on me. With its 455 cubic inch V8 engine, 12-bolt positraction rear end, rear stabilizer bar, staple floor shifter, and full leather interior, it was powerful, elegant, and smooth. Everything about it, from the way it handled to the way it looked, reminded me of the golden age of American automotive design.

Picture of Similar Riviera Shown

The Riviera was fast for a big car, producing 270 horsepower. It had power windows, door locks, seats and was a true driver's car in luxury form. That car cemented my lifelong love for American classics, especially those from the 1970s and 1980s.

In 2023, I attended a local car show and spotted a 1984 White Cadillac Eldorado Biarritz convertible that immediately caught my attention. It was stunning in white with a rich red leather interior. It had that unmistakable Cadillac presence, with Biarritz-specific stainless roof trim and elegant lines that represented

1980s luxury at its best. There was a "For Sale" sign on it, but at the time I didn't take action. The image of that car stayed with me for months. In 2024, I decided to call the owner to ask if he still had it. To my surprise, he did. He shared his asking price his "magic number" and I told him I would think about it. I couldn't stop thinking about that car. It represented everything I love about the era: smooth ride, bold styling, and undeniable presence.

In March 2025, I finally made the call. This time, I bought it. The moment I took ownership, I knew I had something special.

Since purchasing the Eldorado, I've done a few upgrades to enhance its already classic appearance. I installed brand-new Vogue tires, which complement the car's elegance perfectly. I also added a chrome hood ornament cap and a Rolls-Royce-style grille. These details make the car stand out even more and give it a personal touch that honors the spirit of customization so common in American car culture.

The car runs beautifully. Driving it feels like gliding, smooth, quiet, and confident. With the top down, it becomes more than just transportation; it's an experience. People stop to admire it, ask questions, and share memories of Cadillacs from their past. This car brings people together.

Owning this 1984 Eldorado Biarritz is the fulfillment of a dream. It represents not just my love for American cars but the journey I've been on since that first Riviera in 1983. It's more than metal and chrome, it's history, style, and a part of who I am.

Valley Forge Region CLC Covered Bridge Run Was Postponed

New Date July 19 - Modern Cars Welcome

Bring your classic or modern car and friends for a scenic covered bridge run through southern Chester County, PA. During the drive, we'll visit four picturesque covered bridges in the stunning Brandywine Valley. Invite your friends and family to join us. This run is a modified version the Brandywine AACA region did last year.

After the drive, we invite you to join us for lunch (on your own) at Two Stones Pub <https://twostonespub.com/kennett-square/> in Kennett Square, PA. While you're in the area, take some time to explore nearby attractions such as Longwood Gardens, The Brandywine Museum of Art, The Brandywine Battlefield or the many charming antique shops in the region. It's the perfect way to enjoy the beauty and history of this unique area!

Starting Point: Northbrook Marketplace

Address: 1805 Unionville Wawaset Rd, West Chester, PA 19382

Northbrook Marketplace is located at the corner of Rt. 842 and Northbrook Road in West Chester, PA.

Arrival Time: Please plan to arrive at 9:30 AM. Arriving early allows time to use the restrooms (note: there will be two opportunities to stop for restroom facilities during the drive), grab a cup of coffee, and chat with fellow club members before we begin the drive. We aim to depart promptly at 10:00 AM after a group photo.

The Drive: Our route covers 55 scenic miles, taking us by four beautiful covered bridges, with an optional lunch stop at the end. The drive is expected to take just under two hours, but it may extend longer depending on conditions.

Important Considerations: The route includes back country roads with limited shoulders, so please take this into account when deciding whether to join and which car to drive.

Our first bridge will be the **Gibson-Harmony Hill Bridge** outside of Marshallton, PA. It was built in 1872 by Edward Hall and Thomas Schull. It's a 78-foot-long Burr truss bridge. This is the only covered bridge remaining over the Brandywine Creek crossing, over the east branch of the Creek.

Our second bridge will be the **Speakman Bridge #1**; there is a Speakman #2 bridge, but it's on private property. Our bridge resides outside of Coatesville, originally constructed in 1881. The bridge at one time served the Johnathan Speakman gristmill, thus the name. It is 75 feet long and has a Burr arch truss design.

Our next bridge will be the **Linton Stevens Bridge** 1051 Kings Row Rd, Oxford, PA. The County built an iron bridge here in 1875. This was so damaged by the June 26, 1884 flood that J. Denithorne & Son were paid \$1,294.00 for repairing it. Only two years later a wooden covered bridge replaced the iron bridge. The bridge was named for Linton Stephens, a local postmaster. Chester County bridge maintenance records show an unexplained change of the spelling to Stevens in 1914.

Driving south on Kings Row Road we head to **Glen Hope Covered Bridge**, the last and most southern bridge on the tour. The bridge is located only ½ mile from the Mason-Dixon Line; the border between Maryland and Pennsylvania. It is a 65-foot-long Burr truss bridge, constructed in 1889 and spans the Little Elk Creek. It has vertical planking and eave-level window openings.

Our ride formally ends here. If you would like to join us, we head to the village of Kennett Square, PA where we gather for an optional lunch on your own at the **Two Stones Pub**, 843 East Baltimore Pike Kennett Square, PA 19438. Located in the Shoppes at Longwood Village where there is plenty of parking for your classic or modern car.

While you're in the area, be sure to check out nearby attractions like Longwood Gardens <https://longwoodgardens.org/>, The Brandywine Museum of Art <https://www.brandywine.org/>, The Brandywine Revolutionary War Battlefield <https://www.brandywinebattlefield.org/> or the quaint antique shops scattered throughout the region. It's a great way to experience the beauty and history of this one-of-a-kind region!

Important Information Before You Go:

*If you're planning to join the driving run, please let me know by **July 11th** via email @ therobertschles@gmail.com or by phone **646-335-8325**. Turn-by-turn driving directions will be provided prior to the event.*

Additionally, I'll need a headcount for those planning to join us for lunch to ensure the restaurant reserves adequate seating.

In the event of inclement weather, you'll be notified of any cancellation the day before, and the run will be rescheduled for a later date.
